WORK EXPERIENCE

Video Editor

1. Ortho Sport, Gurugram | Jan 2024 – June 2024

Key Responsibilities & Role:

- Video Production: Edited and assembled recorded footage, ensuring seamless storytelling and visual appeal for Ortho Sport's promotional and educational content.
- Content Enhancement: Enhanced video quality through color correction, sound design, and the addition of engaging visual and audio effects.
- Project Management: Managed multiple video projects simultaneously, meeting deadlines while maintaining high-quality output.
- Feedback Implementation: Incorporated client and team feedback to refine video projects and achieve desired outcomes.

Key Accomplishments:

- Increased Engagement: Created video content that contributed to a significant increase in viewer engagement on Ortho Sport's digital platforms.
- Efficient Workflow: Streamlined the video editing process, reducing project turnaround time by 20% without compromising quality.
- Skill Development: Expanded expertise in specialized software such as Adobe Premiere Pro, After Effects, and other editing tools during tenure.
- Innovative Storytelling: Developed unique video editing styles that enhanced the brand's identity and appeal.

2. SR Productions, Faridabad | 1 Jan 2025 – 15 March 2025

Key Responsibilities & Role:

- Video Editing & Assembly: Crafted and structured recorded footage to deliver compelling narratives and visually engaging content for SR Production.
- Camera Operation & Footage Capture: Managed camera handling, framing, and shot composition to ensure high-quality visuals, smooth transitions, and professional-grade recordings.
- Quality & Impact Enhancement: Improved video aesthetics with color correction, refined sound design, and the integration of dynamic visual and audio effects to enhance viewer engagement.

3. Kamal Associates, Delhi | July 2025 – October 2025

Key Responsibilities & Role:

- Edited promotional and corporate videos for real estate and business projects using industry-standard editing software.
- Assisted in video shoots, handling camera setup, framing, lighting, and on-site coordination.
- Collaborated with the creative and marketing team to develop engaging visual concepts and storytelling ideas.
- Managed raw footage, organized media assets, and ensured timely delivery of edited content.
- Enhanced video quality through color correction, sound mixing, and motion graphics when required.
- Supported social media content creation with short-form video edits and reels for online promotion.
